

Power Towel

The P&P Power Towel P2 is able to keep 8 times its own weight in liquid.

It is protected against mould and odour and can be used to dry very quickly and thoroughly any surface outside the boat or caravan.

Instructions for use:

- Before using the P&P Power Towel P2, coarse soiling such as sand or salt can be removed with water and a sponge.
- To achieve optimum results, the surface to be dried in the future, should be cleaned before the first use with P&P Dry Wash or alternatively P&P Shampoo P1 and clear water. (Please see also the instructions for use P&P Dry Wash and P&P Shampoo P1)
